_ edhesive.com (Please authenticate with ksd.org email.)

My Core 4 -

LMS (Learning Management System): Google Classroom and/or Web Page

Cloud Storage: (Google Drive and OneDrive)

Synchronous Video: Zoom (Experiment with Meets and Teams)

Asynchronous Video: OBS and ffmpeg

The instructional week is from Wednesday to Wednesday

_ Google Drive <https://drive.google.com>

Add the folder I shared with you to your ksd.org google drive. This is where a lot of your work will get saved.

_ Time spreadsheet and attendance. Access the timesheet in your Last_First_Cyber folder and record your jobs.

_ Week 1 Employability ($3 * 5 = 15$) . We have three days of school this week. 5 points a day if you work each day. Record your jobs on your timesheet spreadsheet.

_ Microsoft Imagine (Azure).

<https://signup.azure.com/studentverification?offerType=3>.

_ Flipgrid - <https://info.flipgrid.com/>

_ Microsoft Imagine (Azure)

Login to <https://signup.azure.com/studentverification?offerType=3>.

With your ksd.org Microsoft email. Look at software to download and the Learn links.

_ Respect Bingo - Download Respect Bingo that I provide and complete 4 different squares. Type your responses on a Google Doc and save in your English folder on your ksd.org Google drive.

Name the document Respect_Bingo_YourNameOrInitials

[_edhesive.com](#) . Enroll in the Python course and get started. Please use your ksd.org Google authentication to login. I will email you the access code to enroll. (Security)
